OBJECTIVE

Passionate software developer with expertise, seeking to drive innovation and growth.

EDUCATION

Info Institute of Engineering	2021-2025
Bachelor of Computer Science and Engineering	CGPA: 8.3/10

Kendriya Vidyalaya, VNM	2020 - 2021
Maths and Computer science stream	Percentage: 82

SKILLS

Technical Skills	HTML, CSS, JavaScript, ReactJS, Python, SQL, Git
Soft Skills	Problem Solving, Leadership, Communication, Collaboration
Tools	Visual Studio Code, Git, MySQL Workbench, AWS

INTERNSHIP EXPERIENCE

Web Development Intern, InterSavy — Aug 2023-Sept 2023

Developed and optimized responsive websites using HTML, CSS, and JavaScript during my web developer intern- ship. Collaborated with teams on project design, implemented new features, and conducted testing to enhance user experience and performance.

Software Developer Intern, Headstarter — Jul 2024 - Dec 2024

Currently working as a software developer intern, focusing on coding, debugging, and testing.Gaining hands-on experience with various technologies and collaborating with teams to deliver effective solutions.

PROJECTS

TrueScan AI: Developed a real-time image forgery detection system using optimized CNN techniques to identify Copy Move and Splicing forgeries, integrated into a Chrome extension for seamless browser-based analysis.

Storix AI: Developed an AI-powered pantry management application that uses machine learning to track inventory, suggest recipes based on available items, and reduce food waste through intelligent usage predictions.

HelpMate AI: Developed HelpMate AI, an AI-based chatbot designed to assist users with queries and provide support, leveraging advanced natural language processing for effective and intuitive interaction.

EXTRA-CURRICULAR ACTIVITIES

Rotaract Club Involvment — 2021-Present

Active member and President of the Rotaract Club of Info Institute of Engineering, leading projects, coordinating events, and driving community service initiatives to foster leadership and positive social impact.
